Travel Courses Duke Marine Lab Courses

Course Numbering

100-199 - Introductory-level undergraduate courses; basic skills/activity courses; foundation courses; Focus program courses

200-399 - Undergraduate courses above introductory level

400-499 - Advanced undergraduate, senior seminars, capstone courses, honors thesis courses

500-699 - Graduate courses open to advanced undergraduates

(IMPORTANT: grad/prof students cannot use Duke courses below 500 to count towards their graduate degree credits)

700 (& above) - Graduate only courses (not open to undergraduates)

900 (& above) - Duke Environmental Leadership (DEL-MEM)
