Nicholas School Student Services Office

Course Registration: On–Campus MEM and MF

Topics featured: cross–career enrollment (e.g. fuqua, pratt and sanford schools), enrollment window, quick links, program–wide requirements, and updates/changes to the spring course schedule

Missed a registration email? View here.

Course registration continues in the DukeHub. Students can enroll in up to 12 credits through Monday, November 12. The next enrollment window will open on Tuesday, November 13. At that time, students may enroll in up to 15 credits. If more than 15 credits are needed, the course overload request form is required.

Drop/add course registration in the DukeHub ends on Wednesday, January 23. All spring course registration decisions must be completed by the end of drop/add on January 23.

Cross–Career Course Enrollment at Pratt, Law, Fuqua and Sanford

If you are interested in taking a course at one of the other professional schools at Duke, view the enrollment details here. The enrollment deadline is the end of the drop/add period, Wednesday, January 23 except for Fuqua MBA courses; the deadline to request enrollment in a Fuqua class for non–MBAs is Wednesday, December 12.

- Pratt School of Engineering
- Duke Law School
- Sanford School of Public Policy
- Fuqua School of Business; the list of available courses for non–MBAs; the deadline to request enrollment is Wednesday, December 12

Course registration in most other departments can be done directly in the DukeHub. See the instructor for additional information as needed.

Updates, Changes and/or Additions to the Spring Course Schedule

The following updates, changes and/or additions may (or may not) be reflected in DukeHub yet, but I anticipate they will be there soon.

- ENVIROM 504A Marine Protected Area Monitoring and Management, Professor David Gill, taught at the Marine Lab.
This is a new course and is now in the DukeHub.

- **ENVIRON 590** Big Cats Decline—Africa & Asia is not in the DukeHub yet but should be there soon. Instructor, Stuart Pimm.

- **ENVIRON 614** Coastal Resilience in the Face of Climate Change; this course was just recently approved as a crosslist with ENVIRON but is not in the DukeHub yet but we expect it to show up soon. Only 4 seats are available on the NSOE side (first come–first served). Instructors, Michelle Nowlin and Steve Roady. [Read more about the course here.](#)

- **ENVIRON 638** Environmental LCA; non–BE students can request a permission number to enroll. Submit the [Permission Number Request Form](#) for non–BEs.

- **ENVIRON 790.10** Environment Innovation through Market-Based Sustainability Reporting and Certification is being offered for the second time—consider enrolling in this course, Instructor, Chris Wedding; [view course description](#)

- **ENVIRON 790.70** What’s It Worth: Valuing Ecosystems for Investment and Conservation, Instructor Joe Bachman, Th 4:40–7:10 (NEW COURSE). This course is now in the DukeHub; [View course syllabus](#)

- **ENVIRON 790.75** Secrets: Weapons of Success Construction, Joe Bachman, Tu

---

Program–wide Requirements
Read more about program–wide requirements at the advising web pages.

ENVIRON 896 (Professional Communications): Required for all first years/new students except for dual MBAs and MPPs

ENVIRON 897 (Writing a Master's Project): Required for all second
years/continuing students except for dual MBAs and MPPs

**ENVIRON 898 (Program Area Seminar):** All active on-campus MEM and MF students must enroll in this course each semester; only one credit for the seminar will count towards the credits required for the MEM or MF degree.

**ENVIRON 899 (Master's Project Credits):** Second years/continuing students must earn a minimum of 4 MP credits. Enrollment can be spread across two semesters or taken all in one.

Questions?
Should you have questions and/or run into trouble during the registration process, send an email to [nsoe-registrar@duke.edu](mailto:nsoe-registrar@duke.edu) or call 919-613-7459.
