Aug 29  Daniel Baden, PhD, UNC-Wilmington Center for Marine Science  
*From Beach to Bedside: Getting our Feet Wet in Translational Marine Science*

Sept 5  Audrey Bone, Nicholas School of the Environment, ITEHP PhD Candidate  
*Incorporating Environmental Realism into Toxicity of Nanoparticles to Early Life Stage Fish*

Sep 12  Kian Fan Chung, MD, DSc, FRCP, Imperial College London  
*Mouse and Human Models of Exposure to Oxidative Stress Pollutants*

Sep 19  Daniel A. Vallero, PhD, US-EPA  
*Integrating Toxicology and Exposure to Prioritize Chemicals in the Marketplace*

Sep 26  Nicole Kleinstreuer, PhD, NTP-NIEHS  
*Computational Toxicology Tools: Constructing and Evaluating an Adverse Outcome Pathway for Embryonic Vascular Disruption*

Oct 3  Manijeh Berenji, MD, MPH, Duke University Medical Center  
*Clinical Reality of Heavy Metal Intoxication*

Oct 10  Sven-Eric Jordt, PhD, Duke University Medical Center  
*Counter-irritation By Menthol: Pharmacological Targets and Implications for Smoking Initiation*

Oct 17  Seth Kullman, PhD, North Carolina State University  
*Can Environmental Exposures Recapitulate Genetic Skeletal Dysplasia: A Case Study With a Prototypic AhR Ligand*

Oct 24  ITEHP Symposium: Low Dose Effects/Non-Monotonic Responses of Endocrine Disruptors

Oct 31  Richard Woychik, PhD, NIEHS  
*Exploring the Epigenetic Landscape of Environmental Exposures*

Nov 7  Daniel Brown, Nicholas School of the Environment, ITEHP PhD Candidate  
*Later Life Consequences of Early Life Exposures to Complex PAH Mixtures in Fundulus heteroclitus*

Nov 14  No seminar this week due to SETAC & Superfund Research Program Annual Meeting

Nov 21  Emily Mazure, MSI, Duke University  
*Do You Know? Resources and Services from the Medical Center Library & Archives*

Dec 5  Mark Robson, PhD, MPH, Rutgers University  
*Challenges and Opportunities in Agricultural Environmental Health*

For more information about ITEHP seminars contact Edward Levin edlevin@duke.edu or Eve Marion emarion@duke.edu (919-613-8078). To receive seminar / symposium-related emails, please subscribe at https://lists.duke.edu/sympa/subscribe/itehp-events
