

## Welcome back NSOE PhD Students!

Please use the [Office of Research Development website](#) to keep up with PhD student opportunities. Links on the left hand side navigation bar will allow you to view opportunities in Pivot and archived funding blasts. There are currently > 100 opportunities in the Fellowship and Internship curated list in Pivot.

Check out the templates in [Research Resources](#) for pptx slides – great for overview figures in talks and grant proposals

Please use the [Covid-19 Intranet Research Website](#) to keep up with evolving protocols and procedures for Phase III of research activities

[NSF Special Program for Graduate Students](#) including doctoral dissertation research improvement grants.

---
